“The sun defines Miami. The Sunny Isles name is not accidental. The Earth’s elliptical path is depicted in the towers’ shapes. The monumental ever-changing curvature creates a form identifiable from afar against the open skies. It defines the project’s skyline and the city, with a form that has meaning.”

THE ELLIPSE OF HIGH STYLE

Ideally situated along 435 linear feet of pristine white sand beach, The St. Regis Residences, Sunny Isles Beach, Miami, bring together skyline-defining architecture, visionary design, flawless craftsmanship, and the signature service and rituals of St. Regis in one extraordinary oceanfront address.

MIAMI'S MOST EXQUISITE OCEANFRONT ADDRESS

Brought to life by Fortune International Group and Château Group, visionaries behind some of South Florida's most celebrated residential addresses, The St. Regis Residences, Sunny Isles Beach, Miami, reflect an extraordinary meeting of architecture, interiors, and landscape.

Here, Arquitectonica's commanding vision, Patricia Anastassiadis's richly layered interiors, and EDSA's immersive landscape design shape an address of singular beauty and distinction.

INCOMPARABLE
BEACHFRONT
LOCALE

Flanked by the Atlantic Ocean and the Intracoastal Waterway, Sunny Isles Beach sits at the center of it all, yet remains a world apart. A peaceful sanctuary, a vibrant cultural scene, a cinematic place to call home. Minutes from Miami Beach, Bal Harbour Shops, Aventura Mall, and the Miami Design District, The St. Regis Residences are poised to become the most exclusive address in South Florida.

THE ORIGINAL HOUSE OF LUXURY

For more than a century, St. Regis has stood apart in the tradition of American luxury, defined by impeccable service and storied rituals.

At The St. Regis Residences, Sunny Isles Beach, those rituals, from the signature Bloody Mary to sabrage and the Midnight Supper, are brought into the private realm through anticipatory Butler Service, creating a lifestyle that is both deeply personal and distinctly St. Regis.

THE STORIED RITUALS

Daily life here is shaped by ritual. Sabrage marks the close of a perfect beach day, a bottle of Champagne opened with ceremony against the Atlantic sunset. Afternoon Tea unfolds at the water's edge, on the Oceanfront Terrace, or quietly at home. A Signature Butler who anticipates every need before it is spoken. The Midnight Supper, a gathering of family and friends in the easy luxury of a night not yet ready to end. And the Bloody Mary, iconic and enduring, reimagined here with the sun-drenched spirit of South Florida.

BEYOND
THE IMAGINABLE

Conceived as a private residential resort, The St. Regis Residences, Sunny Isles Beach, Miami, offers over 70,000 square feet of curated amenities across six levels—each space thoughtfully composed to elevate daily ritual. The breadth of wellness, fitness, dining, and entertainment experiences introduces a new paradigm of luxury living, shaped by the inimitable service of St. Regis.

Along the infinite beach, immerse yourself in the joy of poolside leisure at the Beach Club, replete with a plethora of bespoke resort essentials including elegant cabanas and luxe chaise lounges, and a private celebrations lawn.

The Beach Bar & Grill extends graciously from covered indoor dining to open-air seating, offering a setting as refined as it is unhurried. Pool cabanas invite quiet retreat, while the club pool, tower pool, lap pool, and a dedicated kids' splash area each offer their own occasion for beachside leisure, as the Atlantic, ever present and ever luminous, serves not only as a magnificent backdrop, but as the rhythm that defines life here.

Where ritual meets the Atlantic

The Beach Bar & Grill becomes the setting for some of St. Regis's most storied rituals. As afternoon light softens over the sea, the Tea Ritual unfolds with artfully prepared delights served at the water's edge or beneath the terrace by your butler. At dusk, sabrage marks the transition with a touch of ceremony. Later, the Midnight Supper gathers family and friends in the easy luxury of a night not yet ready to end.

A JOURNEY OF
RESTORATION

From the moment of arrival, the spa unfolds as a serene sequence of spaces designed to restore, with the option to begin at the Celebration Bar, a signature St. Regis touch. Separate his-and-hers locker rooms, each with an infrared sauna, lead to beautifully appointed treatment rooms, where therapies are informed by the expertise of Sothys Paris, before opening into the shared heart of the spa. There, experiential showers, an aromatherapy steam room, heated loungers, and hot and cold plunges deepen the ritual. From the Iridium Lounge, the journey continues to the full-service salon and opens at last to the oceanfront terrace beyond.

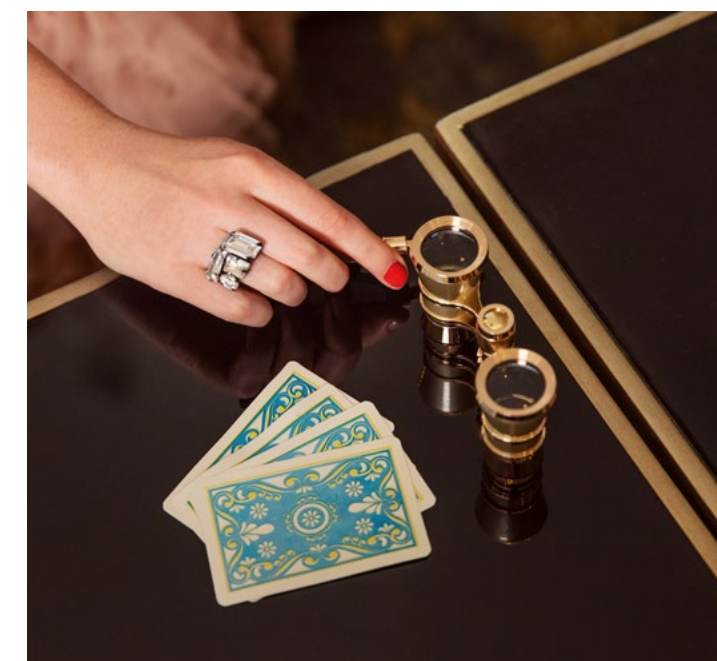

A Legacy of Radiance

The Caroline's Collection brings together the Astor tradition of timeless elegance and the latest in wellness innovation. Honoring Caroline Astor's passion for creativity and radiance, each treatment is tailored from the world's finest ingredients into a wellness journey all your own.

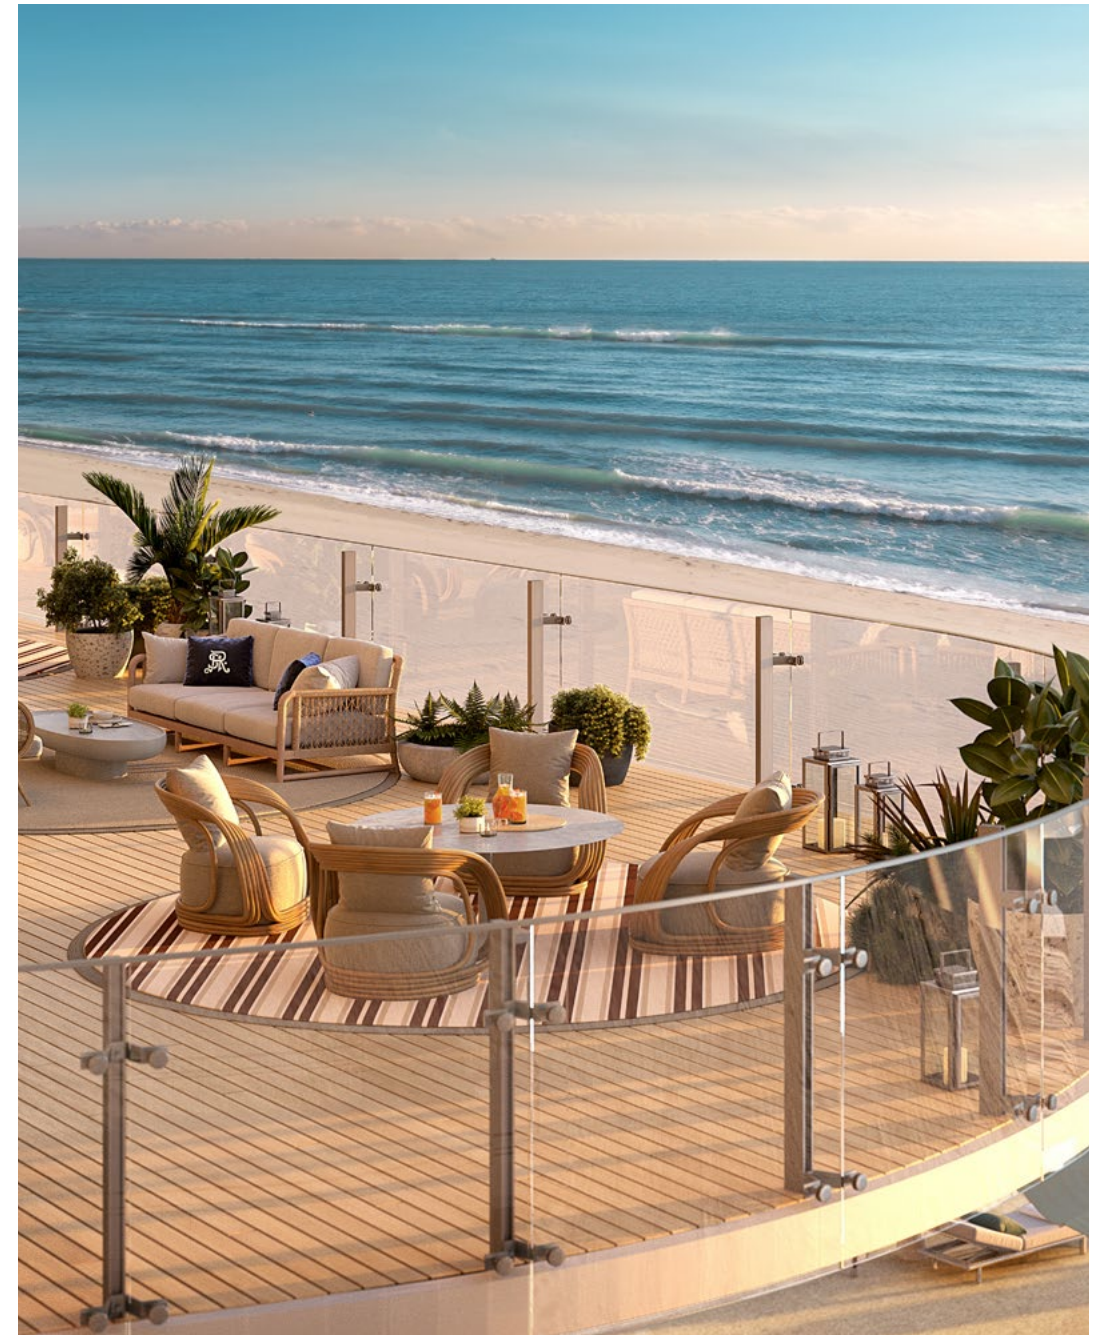

The sprawling oceanfront terrace is designed to offer separate outdoor rooms for both private relaxation and shared celebratory moments.

EXQUISITE SPACES FOR PLAY & LEISURE

Inspired by the legendary King Cole Bar at The St. Regis New York, The Ellipse Club brings together classic New York sophistication, Miami glamour, and an oceanfront game room designed for cards, billiards, and afternoons that stretch into evening.

Crafted for Indulgence

From afternoon aperitifs on the oceanfront terrace to evenings shaped by rare pours, wine tastings, and curated dining, The Ellipse Club brings a more social rhythm to the everyday. At its center, The Signature Bar sets the tone, while the Demonstration Kitchen, Golf Simulator Lounge, and Cinema Lounge invite gatherings of every kind.

AMENITIES: RESIDENTS CLUB

DESIGNED FOR GATHERINGS

Atop the six-story amenity podium, The Residents Club is designed for dining, celebration, and inspired gatherings. A light-filled dining room and piano lounge open to an oceanfront terrace, while the Bar & Lounge, rendered in rich wood and layered neutral textures, extends to a bayfront terrace with the Miami skyline beyond. A private event space with a separate catering kitchen, conference room, library, and guest suites with housekeeping service complete the experience.

The infinity-edge Sunset Pool opens to the Miami skyline, with inviting spaces for dining, gathering, and unwinding unfolding around it.

EXQUISITELY
CRAFTED
