The Property is conveniently located just minutes away from major attractions, sporting venues, fine dining, art and museums, and the beach.

THE ROADS

Nestled just west of Brickell, The Roads is a rare gem that combines the charm of old Miami with the convenience of urban proximity. Known for its tree-lined streets, historic homes, and private schools, The Roads offers a peaceful, residential atmosphere while remaining just minutes from the bustling energy of Downtown Miami and Brickell’s vibrant business district.

The Roads stands out with its distinctive layout, where every street is named a “Road,” giving the area a character all its own. This blend of historic charm and close-knit community, along with easy access to the city’s major transit hubs like the Vizcaya and Brickell Metrorail stations, makes it a sought-after location for those who appreciate both tradition and convenience.

POWERED BY DMT

DEVELOPER

Founded in 2020, BLDG Ventures is a real estate investment and development firm focused on creating lasting value through innovative urban projects. Specializing in residential, mixed-use, and hospitality developments, BLDG combines visionary design with practical execution, tailoring each project to meet the unique needs of its surroundings. With over 1.25 million square feet delivered and more than 1,500 residential units completed, the firm is known for its agility and ability to adapt to market dynamics. Led by Rene Bello, a former architect with a reputation for pushing boundaries, BLDG Ventures is dedicated to shaping skylines, enriching communities, and building the cities of tomorrow. Rene brings deep expertise from Royal Palm Companies, where he played a pivotal role in high-profile projects like Paramount Miami Worldcenter, Legacy Miami Worldcenter, and the Hyatt Regency Grand Reserve.

Gensler

Gensler is a global architecture, design, and planning firm with 55 locations across Asia, Europe, Australia, the Middle East, and the Americas. Every day we impact millions of people’s lives with the spaces we create, which is why people are at the center of everything we do. Designing for the human experience is what allows us to tackle the toughest challenges facing cities and shape a more resilient and equitable future for everyone.

At Gensler, the value of our work stems from its positive impact on the human experience. We are a dynamic and collaborative design firm uniting creativity, research, and innovation to solve complex problems for our clients. Our work challenges conventional ideas about architecture and the built environment. We aren’t just designing buildings – we are reimagining cities and places that make a difference in people’s lives. Founded in 1965, Gensler has built a team of 6,000 professionals who partner with clients in over 100 countries each year. Everything we do is guided by our mission: to create a better world through the power of design.

POWERED BY DMT

In the dynamic world of real estate, Development Marketing Team (DMT) — co-founded by Alyssa Soto Brody and Erica Sachse — has emerged as a transformative force in real estate sales and marketing since its inception. DMT proudly unveils a new era — “Powered by DMT” — symbolizing its pivotal role in activating real estate projects from the ground up.

Powered by DMT redefines traditional models by operating as a robust integrated marketing and sales brokerage that embodies a buyer-first mentality, centering all strategies around consumer needs and expectations. This approach epitomizes the company’s dedication to blended services that not only supercharge development projects and sales teams but also empower agents with cutting-edge tools and insights. From pre-development planning to lead generation, sales strategies, digital marketing, design, and branding, Powered by DMT leverages real-time data and innovative technology to craft adaptable tactics, responsive to today’s ever-evolving market dynamics.
