Mercedes-Benz Places | MIAMI

The Tower

A true fusion of form and function, critically-acclaimed firm SHoP Architects design of the tower highlights the role of the architecture as an icon of innovation.

Residences

From studios to three-bedrooms, each residence is an immersion in modernity and luxury, meticulously conceived and created by the interiors experts at Woods Bagot in collaboration with Mercedes-Benz. Crisp blacks and whites create highlights and contours, complemented by warm woods and significant graphic elements, reflecting the automotive brand's refined detailing, precision, extraordinary quality, and commitment to their philosophy of sensual purity.
